

Hospitality

Clean, Fresh, and Germ Free?

Whether it's your airline seat, rental car, or hotel room, hygiene standards are always a concern for travelers. From outbreaks of the Norwalk virus on cruise ships to fears over SARS it seems there is a new health scare every week in the travel and hospitality industry. You've heard the saying that "cleanliness may be considered next to godliness" but in reality cleanliness may be next to profitability. Consumers rank the cleanliness and safety of a facility as the top two concerns when choosing where to spend their time and money.

Time is Money

You need to be able to provide your guests with the comfort of knowing that their room is clean and virtually germ free. Bathroom sinks, tub, shower, and toilets are known harbingers of infection germs, but most people never consider the remote control. Microbiology studies indicate that the remote is almost always the most germ laden surface in the entire room!

SaniGuard® Sprays and Foggers allow you to sanitize virtually any surface in a guest room. Because SaniGuard® dries-on-contact it can be used on "hot spot" surfaces other products cannot, such as:

- TV Remote
- Phones
- Furniture
- Bedspreads
- Carpet
- Bathroom Fixtures
- Door Handles
- Light Switches

Save your housekeeping staff valuable time, and give your guests peace of mind.

Your Reputation—People's Choice

Your customer's word of mouth is the most valuable form of advertising you have. SaniGuard® gives you the tools to protect their environment and the confidence to assure your guest's well being.

Germs can spread through common areas with a single touch. Influenza, Staph, Strep, MRSA and Colds can cripple any major hospitality facility in a matter of days. Halt the spread of by using SaniGuard® in high-traffic areas such as:

- Lobbies
- Conference Rooms
- Break Rooms
- Guest Rooms
- Workout Facilities
- Restrooms

Get the competitive advantage of a healthy environment by using SaniGuard's® patented formula to kill 99.99% of germs on contact—before the germs spread to other surfaces and your guests.

To order please contact your local distributor or DEM Technology, LLC. • Phone: (937) 223-1317
